## CEO vs. Sharks Shark Spotlight

### John Petty

A Sangamon CEO Alumni. At the age of 15, John launched his first business, Jack and the Box Photography. He started doing photo booths for small private parties that eventually turned into small business events and even large corporate events. After shutting down his photo booth business in 2019, John attended the University of Utah and took part in the Business Scholars Program.

During college, John grew his sales skills by selling cars at a Ken Garff Honda located in Salt Lake City. After many amazing years of being in mountains, John decided to head back to the midwest. John now works in the virtual event space, helping to create events for top influencers including Tony Robbins, Dean Graziosi, Darren Hardy, Jack Canfield, Pedro Adao, Allison Mashlan, and many other well-established companies.
