### Student Spotlight

#### Meet Amiyah

Amiyah attends Southeast High School. She plans to attend a four year university in a pre-dentistry program. She aspires to become a dentist.

Amiyah's Sangamon CEO business is called *Snoopy's Closet*. The business is an online petite puppy clothing and accessories store.

She wishes more people knew how unique Sangamon CEO is. She says, "I wish people knew that this program is not just about sitting and being lectured. Nabih and the guest speakers really love to hear what us students have to say. A lot of our class work is hands-on and there is a lot of talking among classmates as well. I've gotten to make new friends and connections."

Amiyah's favorite part about Sangamon CEO is the site visits to businesses in Springfield. She says, "My favorite part of CEO would have to be the site visits because CEOs around the city of Springfield take time out of their day to give us advice and offer their services to be a mentor to us. We also get to see how businesses run behind the scenes."

Amiyah has been able to work on many skills through the CEO program. She says, "Some skills that I have been able to pick up are being more open to sharing my ideas with classmates and asking questions. I have also learned how to make connections with many different people who come."

We are looking forward to seeing all the amazing things Amiyah does the rest of the CEO school year and in her future endeavors.
